

Freshwater Discipleship

Vision - To see Freshwater attenders, members, and the broader community glorify God and advance the Gospel through meaningful, multi-generational discipleship.

Mission - To provide a pathway for our church body to engage in discipleship that spurns people to a deep and enduring love of knowing God, finding community, making disciples, and reaching the world.

01

Know God

We come to **know God** more in a weekly worship gathering as the elder teaches Scripture

02

Find Community

We **find community** in weekly Lifegroups and monthly men's and women's Discipleship groups as we move through life with others, guided by God's Word.

03

Make Disciples

God's Word will take root in us and spread to others as we **make disciples** in a one on one, up to a one on three setting.

04

Reach the World

We join God's work to **reach the world** through missions, evangelism, and service.
